WED, NOV 11, 2026

CAO'S Message:

Good day Nobleford!

November is here. The leaves are down, the evenings are dark by suppertime, and the first real snow is probably lurking. Funny but also definitely not funny. Let's get into it.

On Wednesday, November 11, we pause for Remembrance Day. It is a day to honour the men and women who served and the families who waited for them to come home. Many gave everything, and we owe them more than a quiet moment, but a quiet moment is where we start. Take a few minutes at 11:00 AM, wear a poppy, and talk to your kids about why it matters.

Council has also passed its Strategic Priorities for 2027 to 2030. These are the pillars that will guide decisions, budgets, and projects for the next four years:

- Infrastructure Capacity
- Affordability
- Growth
- Regional Collaboration

In plain terms, we want to make sure the roads, water, and sewer can handle the Nobleford of tomorrow. We want to keep it affordable to live here. We want to grow in a way that fits who we are. And we want to keep working alongside our neighbours, because small towns do better when they build together.

These priorities will shape the work in front of us, and you will see them show up in the decisions Council makes. If you have questions, my door is always open.

Wishing everyone a warm and cozy November.

Steven Leusink
Chief Administrative Officer

November
The name November originates from the Latin word novem, meaning "nine," as it was the ninth month of the ancient Roman calendar. Despite being the eleventh month in the modern Gregorian calendar, November's name remained unchanged after January and February were added to the Roman calendar around 713 BC. Canadians wear poppies in the lead-up to Remembrance Day on November 11th to honour veterans and those who served in the armed forces.

Any questions or contributions?

Please contact the Town office!

Walk-in:

Pre-Auth

The Town Of Nobleford has pre-authorized debit available to make paying your bills easy! You can get payments for your utility bills or taxes (TIPP program) set up for pre-authorized debit. Please contact the office for more information.

Councillor's Corner:

Happy Fall!
The last few months, members of Council and the Town of Nobleford have been busy! Besides the beginning of school and Thanksgiving, the Town has been busy closing down the spray park, winterizing sprinklers, cleaning up lawn mowers for storage, and also partnering with the City of Lethbridge to bring in a recycling program.

In September, all Council members attended a strategic planning retreat. I consider it a huge success because we walked away with our 2027-2030 strategic plan, where we discussed, in great detail, our vision and plan for Nobleford. This includes initiating a stormwater management plan that takes into consideration future residential and industrial growth. Affordability is constantly on our minds, but also infrastructure cost recovery and replacement. Over the years, we have also learned that regional collaboration is a valuable tool for managing common regional challenges and sharing problem-solving resources.

In October, we took another step forward with our regional collaboration by hosting an All Councils meeting. With over 25 council members from our region, we shared insights into common issues, celebrated our individual municipal 'wins', and shared management and problem-solving strategies.

Later that week, all Council members attended a tour of our water treatment facility. This was my second tour of the facility, and each time I have been deeply impressed by the incredible knowledge and skill of our facility operators. We have an exceptional team in Logan and Derek. They keep the facility clean, well-organized, and running efficiently. During the tour, we discussed future treated water capacity and the possibility of expanding the facility in the future.

Finally, at our last Council meeting, we held our annual organizational meeting. In this meeting, the Mayor and Deputy Mayor are nominated from within the Council, and we assign committee and board appointments. I am very happy to say that Mayor Joan Boeder and Deputy Mayor Bill Oudshoorn were renominated and will be leading Council and representing the Town of Nobleford for another year. I myself am happy to say that I will continue as the board representative for both FCSS and the Chinook Arch Regional Library System. Congratulations to all of Council for your hard work from the previous year, and I look forward to working with my colleagues to ensure that Nobleford is well represented and managed for a continued bright and successful future.

From my family to yours, as we move into the holiday season,
I wish you all the best.

Councillor Melissa Jensen

Remembrance Day is a national holiday observed on November 11 at 11:00 AM to honor the men and women who have served and died in military service; it is marking the exact time World War I ended - the 11th hour of the 11th day of the 11th month in 1918. People wear a red poppy on their left lapel as a symbol of remembrance, inspired by the Canadian poem "In Flanders Fields".

Updates & Bits and Pieces of Information:

Skate Park/Ice Rink:
The Skate Park equipment will be dissembled and stored until next spring, and the rink will be prepared for the winter season this month. Once the weather is consistently cold enough, Public Works will once again flood the rink for skating fun! Stay tuned for their progress on Facebook.

Property Taxes:
Property Taxes for 2026 were due on August 31, 2026. Invoices not paid by that date will now have a 12% penalty fee added. Another 12% will be added to the invoice if not paid by December 31, 2026. FYI: Some owner's taxes are being paid by their mortgage company, please refer to your invoice to see if that is the case for you. Consider signing up for the TIPP program before the end of this year to make monthly payments to your property taxes instead of one lump sum in August next year!

Council Highlights:
Council has re-introduced the Council Highlights for their Regular Council Meetings! You can find them on the Town of Nobleford website (www.nobleford.ca) under "Government".

Business Directory:
The Town of Nobleford maintains a detailed Business Directory on our website to help showcase and support our local businesses.
Businesses that are currently validated and operating are identified with "2026" following their business name. If you are a business owner and would like to be added to the directory, or if your current listing needs to be updated, please contact the Town Office. We are happy to assist in ensuring your information is accurate and up to date. Please call 403-824-3555, or email clerk@nobleford.ca

Facebook:
The Town of Nobleford does not actively engage in discussions on Facebook. We encourage anyone with questions or concern to contact Town staff directly by phone, email, or by stopping by the office; we are always happy to help. That said, we do appreciate reading the comments shared online, whether positive or constructive. Please feel free to continue posting your opinions and suggestions!

Office:
We are open Mondays through Fridays 9 a.m. to 4:30 p.m. (closed for lunch 12 p.m. – 1 p.m.) Phone 403-824-3555. Email: clerk@nobleford.ca, finance@nobleford.ca, or cao@nobleford.ca. Please send any online payments to payments@nobleford.ca.

All-Council Meeting
October 14, 2026

The Town of Nobleford was pleased to host an All-Council Meeting on October 14, 2026, bringing together elected officials and municipal representatives from the Town of Nobleford, Village of Barons, Town of Coalhurst, Town of Picture Butte, and Lethbridge County.

The purpose of the gathering was to welcome and introduce new members of the municipal councils, provide an opportunity for everyone to get to know one another, and encourage networking and the sharing of ideas and experiences, and building regional collaboration.

The evening was a wonderful opportunity to connect with neighbouring municipalities, strengthen existing relationships, and build new connections.

These conversations help foster collaboration, encourage the exchange of knowledge, and lay the groundwork for future cooperation on matters that benefit our communities.

Thank you to everyone who attended and helped make the evening a success. The Town of Nobleford looks forward to continued communication and collaboration with our neighbouring municipalities!

Town of NOBLEFORD EST 1918

Town of Nobleford – Organizational Meeting

On October 27, 2026, Town Council held its annual Organizational Meeting, during which the following appointments were confirmed:

- Mayor Joan Boeder has been re-elected as Mayor.
- Deputy Mayor Oudshoorn has been re-elected as Deputy Mayor.

Administration would like to take this opportunity to thank all members of Council for their continued dedication, commitment, and service to our community. We look forward to continuing to work together to build a strong community and prepare Nobleford for the future.

Administration,

Why We Are Changing the Franchise Fee on Your Electricity Bill

We know nobody likes to see a bill go up. Here is what is changing, what it costs, and why Council decided to do it.

What is changing?

On October 27, 2026, Council approved raising the franchise fee on FortisAlberta electricity bills in Nobleford from 5% to 10%, starting January 1, 2027. This will be the first increase since January 1, 2023. The change goes through the Alberta Utilities Commission.

What will it cost?

About $4 more per month before GST (from about $3.93 to about $7.86 for a typical home using 625 kWh a month) That works out to roughly $47 more a year.

What is the franchise fee?

It is a percentage of the delivery charges on your Fortis bill (distribution and transmission). It is not charged on the electricity itself. Fortis collects it and pays it to the Town for the use of our infrastructure.

Why are we doing this?

Our water and sewer lines will need major renewal in the coming years. Pipes can fail without much warning, and when they do the cost and disruption can be detrimental to a community. We would rather save steadily now than face an emergency bill later. Council intends to put the added revenue into reserves for water and sewer infrastructure.

Everyone who buys power in town pays this fee, including properties that do not pay property tax.

Want to comment?

Written comments, concerns or support can be sent to the Town or to FortisAlberta by November 12, 2026. All submissions become part of the public record.

Notice of amendment to franchise fee for the Town of Nobleford to be filed by FortisAlberta Inc. for acknowledgement by the Alberta Utilities Commission

Application summary

FortisAlberta Inc. will file an application with the Alberta Utilities Commission, at the direction of the Town of Nobleford, requesting acknowledgement of the new franchise fee of 10 per cent for the Town of Nobleford.

The current franchise fee of 5 per cent will change to 10 per cent, effective January 1, 2027. The franchise fee percentage is applied to the distribution tariff, typically consisting of both distribution and transmission charges. Based on the typical monthly consumption of 625 kilowatt hours, the average monthly franchise fee paid by an average residential customer is expected to increase by $4.07 to $8.00.

The franchise fee is charged in accordance with the franchise agreement between the Town of Nobleford and FortisAlberta Inc., approved by the Commission in Decision 2013-318.

You may send your objections, concerns about, or support for the application in writing to the Town of Nobleford or FortisAlberta Inc. on or before **November 12, 2026**, at:

The Alberta Utilities Commission is an independent, quasi-judicial regulatory body responsible for making decisions about utility-related applications.

Issued on October 28, 2026.

Alberta Utilities Commission

Remembrance Day Information:

When: November 11, 2026, at 10:30 a.m.
Where: Community Complex, 112 Kipp Street
Printed Programs will be available at the ceremony.
Poppies will also be available.

We thank Councillor Bob Morrow for planning and organizing for this year's Remembrance Day Ceremony, as well as Pastor Gary Van Leewen for his support!

The Nobleford and Area Museum Society is offering a free luncheon at the museum, located at 225 Milne Street (at the corner of Highway Avenue), following the Remembrance Day Ceremony.
Everyone is invited to attend.

The author of the famous war poem "in Flanders Fields", John McCrae, was a doctor and teacher who served in South Africa and the First World War.

"In Flanders Fields" was first published in England's Punch magazine in December 1915.

Within months, this poem came to symbolize the sacrifices of all who were fighting in the First World War.

Today, the poem continues to be a part of Remembrance Day ceremonies in Canada and other countries throughout the world.

By Lt Col. John Mc Crae
(of Guelph, Canada)
Died January 28th, 1918, while on active service in France.

In Flanders' fields the poppies blow
Between the crosses, row on row,
That mark our place, and in the sky
The larks still bravely singing fly,
Scarce heard amidst the guns below.
We are the dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie
In Flanders' fields.

Take up our quarrel with the foe,
To you from falling hands we throw
The Torch—be yours to hold it high;
If ye break faith with us who die,
We shall not sleep though poppies grow
In Flanders' fields.

Alberta Blue Cross Community Wellbeing Grant

Administration applied for the Alberta Blue Cross Community Wellbeing Grant and is happy to share that we were awarded $1,000!

This funding allows us to offer a great opportunity for our community: exercise classes for all ages and fitness levels, provided by a personal trainer right here in Nobleford!

One set of classes is scheduled for November, with another planned for March 2027.

A huge thank-you to the Nobleford Oldtimers Association for providing the space, and to Gen Hofman with Embrace Fitness for organizing and leading these classes!

PUBLIC SERVICE ANNOUNCEMENT October 27, 2026

LETHBRIDGE Regional WASTE MANAGEMENT SERVICES COMMISSION

Transfer station hours change starting November 1, 2026:

LETHBRIDGE – Starting November 1, **all Lethbridge Regional Waste Management Services Commission (LRWMSC) transfer stations will have a consistent operating schedule of 9 a.m. to 5 p.m. year-round.**

Operating hours previously changed at Daylight Savings Time, but as Alberta no longer changes its clocks, we are replacing our summer and winter hours with one simple schedule all year. That also means longer hours over the winter, an added convenience for users.

The Coaldale and Picture Butte stations are open Tuesday, Wednesday and Saturday. The Iron Springs and Nobleford stations are open Thursday, Friday and Saturday. These sites accept a wide variety of items, including household garbage, yard waste, electronics such as televisions and computers, tires, wood and more.

Residents of Lethbridge County, Picture Butte or Nobleford are part of the LRWMSC, and can use any transfer station for free, for most items. Residents of other communities are welcome to utilize these sites as well, however fees apply, so check with the attendant when you arrive.

Our transfer stations are here to make it easy to get rid of waste the right way. Dumping garbage in ditches, coulees or on public or private land is illegal, and so is burning anything other than yard waste. Fines apply.

Not sure if a transfer station can take your item(s)? Call DBS Environmental at 403.328.4833.

For transfer station locations and accepted materials, visit https://lethcounty.ca/p/transfer-stations

Background

The Lethbridge Regional Waste Management Services Commission is a partnership between Lethbridge County, the Town of Picture Butte and the Town of Nobleford. The Commission plans and runs waste and recycling services for the region, including transfer stations and recycling trailers.

LETHBRIDGE Regional WASTE MANAGEMENT SERVICES COMMISSION

As of November 1, all commission transfer stations will operate 9 a.m. to 5 p.m. on their designated days.

Nobleford's Designated Transfer Station Days and Hours:

Thursdays 9 am to 5 pm

Fridays 9 am to 5 pm

Saturdays 9 am to 5 pm

Monthly Mini Health Tip – November:

Cultivate Gratitude. Start a gratitude journal or share what you are thankful for to help develop a positive outlook on life and improve emotional well-being.

Want to Share Your Events?

If your group or organization would like to feature upcoming events or meetings in our community calendar, we'd love to hear from you! Please reach out to the Town Office to get started.

Our Fire Chief, Ryan Wagner, has provided us with some information regarding Nobleford's Fire

"The Dispatch"

Nobleford and District Emergency Services

Department. We will be adding these over the next few months.

We are also hoping to provide the residents of Nobleford with regular updates about the amazing work our volunteer firefighters are doing for Nobleford and the surrounding areas.

- ~~May – Message from the Fire Chief & Mission and Vision Statement & Membership/Roster~~
- ~~June – Fire/Rescue Services & Emergency Medical Services~~
- ~~July – Training/Certification~~
- ~~August – Equipment/Resources~~
- ~~September – Emergency Response Units Part 1 (Command 4-1, Command 4-2, Engine 41)~~
- ~~October – Emergency Response Units Part 2 (Engine 42, Rescue 4, Wildland 41)~~
- November – Emergency Response Units Part 3 (Emergency Response Livestock Unit, MRU 4, Drone 41)
- December – Fire Station & Response Area & Mutual Aid

EMERGENCY RESPONSE UNITS

Nobleford & District Emergency Services utilizes 6 different apparatuses and a specialty trailer for our emergency responses. Most units have been purchased through our annual fire agreements with the Lethbridge County, with exception to the command unit and Livestock trailer, these have been purchased and donated by the Nobleford Ag Society, and the Lethbridge 4H club.

EMERGENCY RESPONSE LIVESTOCK UNIT

The trailer is used for assisting in livestock / cattle liners involved in Motor vehicle collisions. Once implemented, this creates a safe atmosphere for our members to continue to work in the emergency scene.

MRU4

Response 4 is our primary medical response unit, which responds to all levels of medical emergencies within the Town of Nobleford & Lethbridge County. MRU 4 is equipped with a multi function ZOLL defibrillator, 02 administration and airway assistance devices for CPR.

Nobleford and Area Museum Society:

The Nobleford and Area Museum Society is offering a free luncheon at the museum, located at 225 Milne Street (at the corner of Highway Avenue), following the Remembrance Day Ceremony on November 11, 2026.

Nobleford Curling Club

https://www.alberta.ca/albertas-new- time-system-abt

Overview

Alberta has adopted permanent Alberta Time (previously called Mountain Daylight Time or MDT in Alberta) to eliminate the previous practice of semi-annual clock changes. Its official abbreviation is "ABT."

Previously, Albertans would advance their clocks during the spring to observe Daylight Saving Time. In the fall, clocks would be reset to Mountain Standard Time.

Beginning in November 2026, clocks will no longer reset to Mountain Standard Time, and Alberta will remain on Alberta Time year-round.

Benefits of changing to Alberta Time – Permanently adopting Alberta Time will:

- reduce frustrations and disruptions associated with the previous practice of semi-annual clock changes
- improve predictability for families, businesses, schools, and services
- align Alberta with neighbouring jurisdictions that have moved away from seasonal clock changes
- reduce confusion for those who live, work, or do business across borders

Alberta will monitor the transition to permanent Alberta Time closely and will gather feedback after the first full year of operating on permanent Mountain Daylight Time to ensure the change is functioning as intended.

Monthly Meal Suggestion:

MAKE AHEAD TACO CHILI

10 minutes (Prep)
4-6 hours (Cook)

4-6 servings

Ingredients

1 lb Shipwheel Ground Beef, cooked
1 medium Onion, chopped
1 can Corn, drained
1 can Black Beans, drained
1 can Navy Beans, drained
1 8 oz can Tomato Sauce
2 14 oz cans Diced Tomatoes
1 small can Diced Green Chiles
1 package Taco Seasoning

Garnish
Green Onions, diced
Shredded Cheese
Fritos (optional)

Directions

1. Place all ingredients in freezer bag and freeze until ready.
2. When ready, thaw slightly.
3. Empty contents into crock pot. Cook on low for 4-6 hours.
4. Garnish with shredded cheese, green onions and fritos before serving.

ZUCCHINI CRISP

50 minutes 4-6 servings

Ingredients

8 cups Peeled Zucchini, cubed
¾ cup Lemon Juice
½ cup Sugar
2 tsp Ground Cinnamon
1 tsp Nutmeg

Topping
1 1/3 cups Packed Brown Sugar
1 cup Old-fashioned Oats
1 cup All-Purpose Flour
2/3 cup Cold Butter or Margarine

Directions

1. In a bowl, combine the zucchini, lemon juice, sugar, cinnamon, and nutmeg; mix well. Pour into a greased 13-in x 9-in x 2-in baking dish.
2. For topping, combine brown sugar, oats and flour in a bowl; cut the butter until crumbly. Sprinkle over the zucchini mixture. Bake at 375°F for 45-50 mins or until bubbly and the zucchini is tender.

Monthly Activity Suggestion:

Monthly Maintenance Suggestion:

House Maintenance Tips for the year - research-based, not from a professional!

November – Keep warm and protect your home

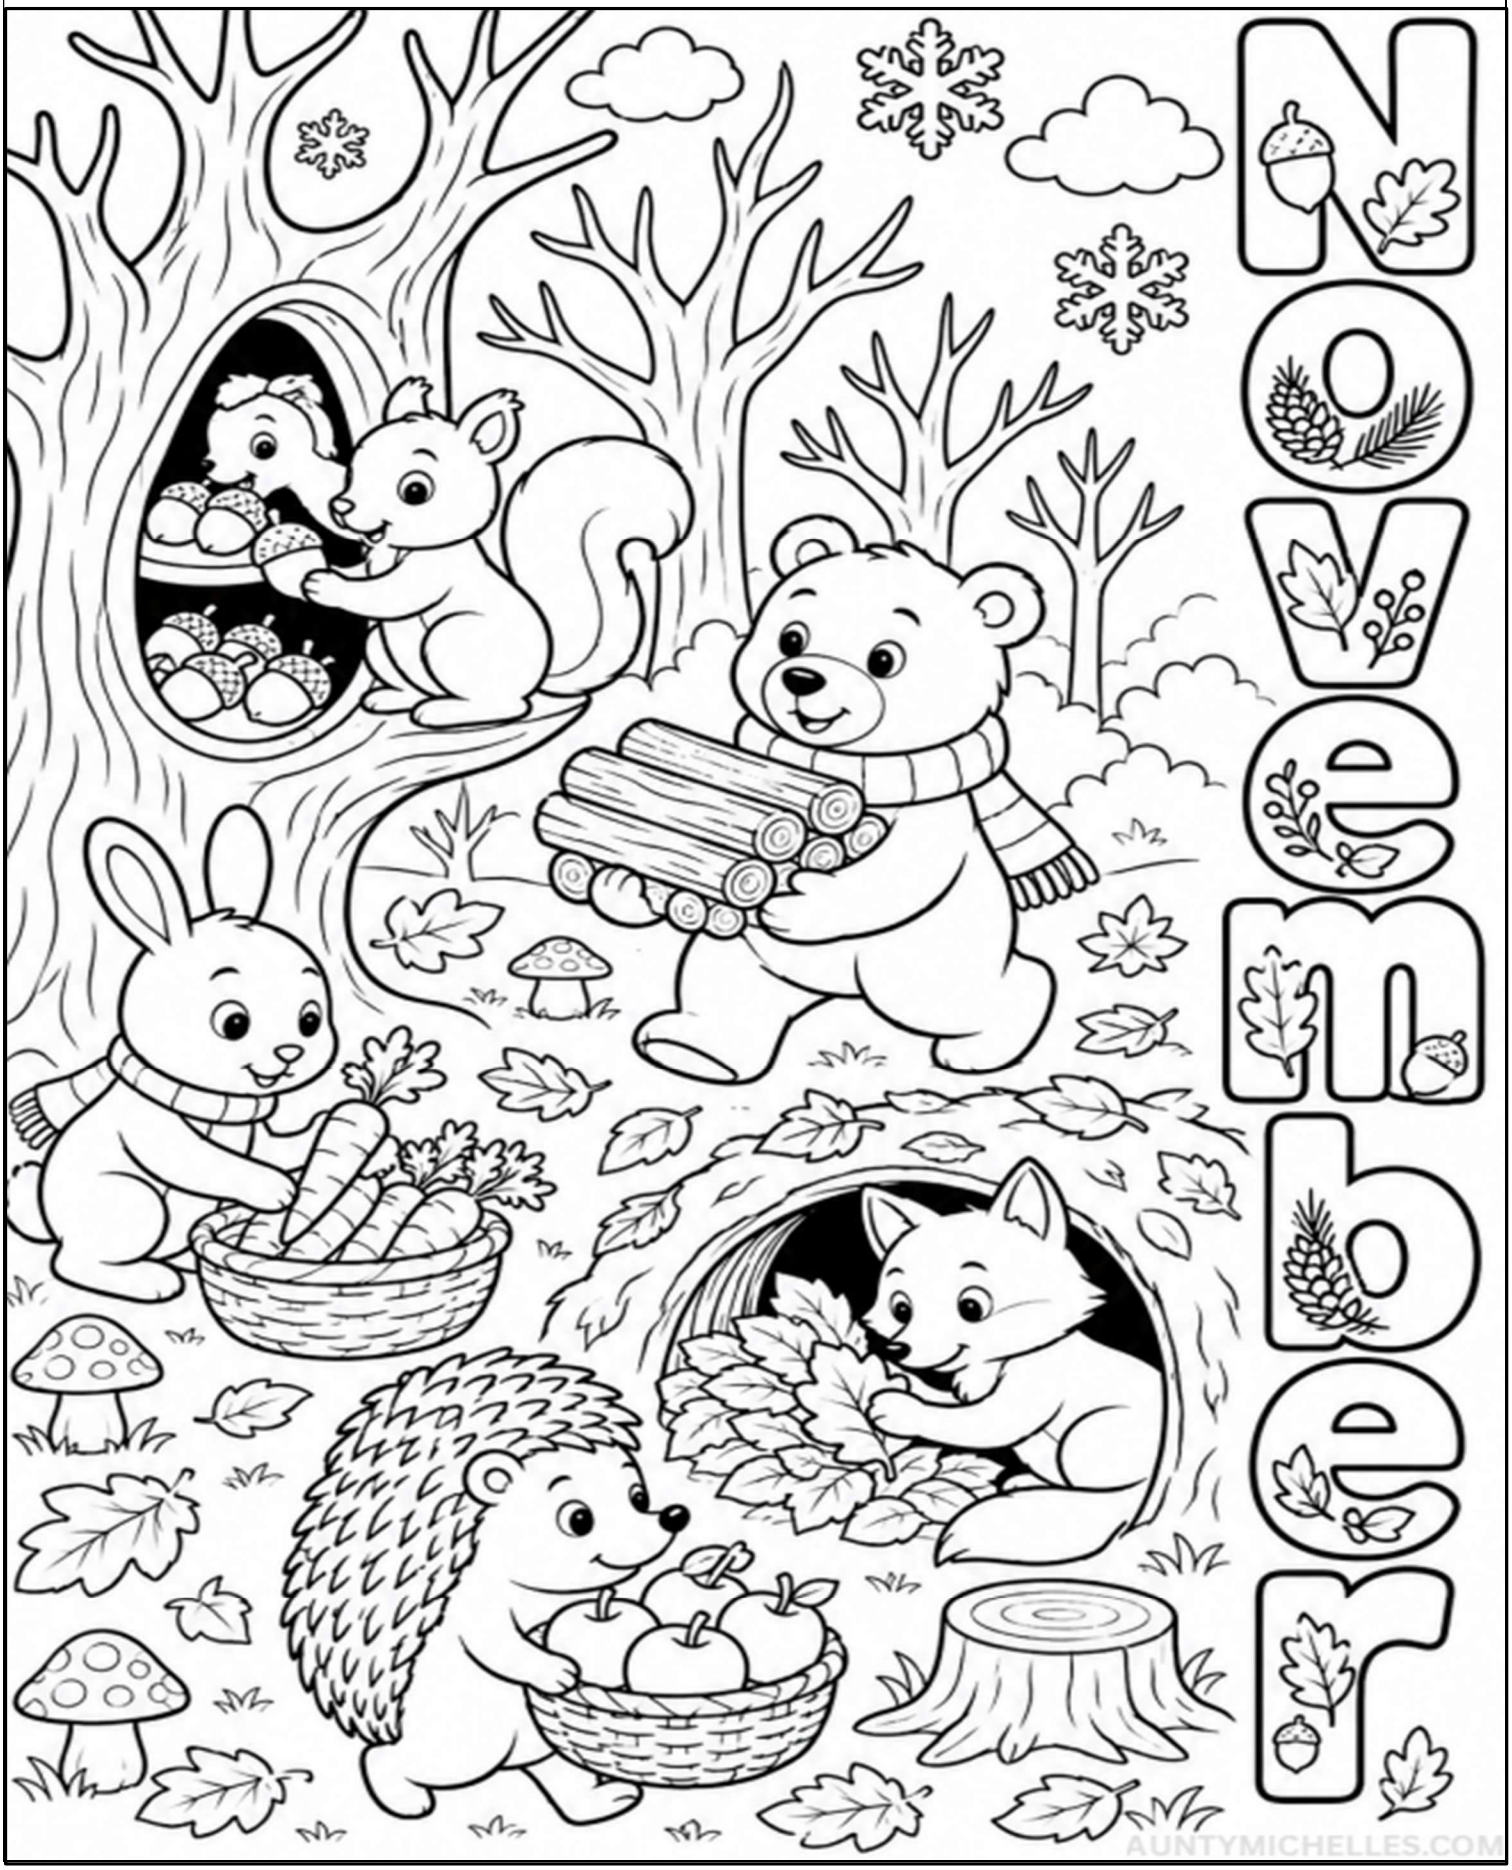

Interior Maintenance:

- Clean or replace furnace filters; consider HVAC inspection.
- Test smoke and carbon monoxide detectors.
- Seal drafts around windows and doors.
- Have fireplace/chimney inspected and cleaned.
- Monitor indoor humidity and condensation.

Exterior Maintenance:

- Ensure gutters/downspouts are clear.
- Winterize outdoor water systems; disconnect hoses, drain lines.
- Inspect roof and siding; repair damage before freezing.
- Store patio furniture and outdoor equipment.
- Stock snow shovels and ice melt; keep walkways safe.
