Toboggan Hill Safety

Vehicle Drivers, please slow down and be considerate of those enjoying the sledding on the hill by the Nobleford entry sign on south Highway Avenue and 519 intersection. Those enjoying the hill: "Pay attention, play safe and have fun!"

SNOW PLOW, SIDEWALKS AND SNOW GARBAGE PICK UP

TIPS: Shoveling fresh snow before you walk or drive on it is much easier than shoveling and chipping packed snow. The Village snow plow plows main streets and eventually residential streets. Please do not shovel snow onto the street or your neighbor's property as the Village snow plow will push it back on to your property. In order to plow the streets as wide as possible, you are requested to park your vehicle off streets when snow fall is expected. You, the property owner, are advised to keep your sidewalks adjacent to your property clear of snow. As a renter, your landlord may require you to keep the sidewalks clear of snow; refer to your rental lease for responsibilities. In the event that garbage pickup in alleys ways is not possible, consider placing your garbage in front of your house for pickup.

SEWER Cleaning: If you have a blocked sewer line, PLEASE notify the Village. Village crews will clean your blocked sewer line for a \$40 fee the first time per calendar year. After regular work hours, the cost is \$100 if staff is available.
