Hostilities formally ended "at the 11th hour of the 11th day of the 11th month," in accordance with the Armistice, signed by representatives of Germany and the Entente between 5:12 and 5:20 that morning ("at the 11th hour" refers to the passing of the 11th hour, or 11:00 am). World War I officially ended with the signing of the Treaty of Versailles on the 28th of June, 1919.
