

POLICY #02-20

SUBJECT: the Nobleford Community Complex

DEPARTMENT: Administration

ADOPTED & APPROVED BY COUNCIL,
RESOLUTION 80-2008, February 19, 2008 ,

PURPOSE
To establish sustainable community facilities

the Nobleford Community Complex

1. The Village of Nobleford is the sole owner of the Nobleford Community Complex and therefore responsible for it.
2. The Village of Nobleford wishes to ensure the best use or uses of the Nobleford Community Complex for and by its residents. All users are expected to use due diligence and responsibility when using the Nobleford Community Complex.
3. The Village of Nobleford must be responsible to its taxpayers for any costs incurred by the Nobleford Community Complex.
4. The Village of Nobleford must attempt in all possible ways and means ensure the sustainability of the Nobleford Community Complex.
5. The Village of Nobleford must always show due diligence and responsibility for any costs, being that the Nobleford Community Complex is not a required facility provision of local government.
6. The Village of Nobleford is responsible for all insurance, utility, janitorial and maintenance costs related to the Nobleford Community Complex. These costs may be covered in part or whole by leases or renters.
7. The Village of Nobleford is the only party that can or may lease portions of the Nobleford Community Complex to individuals or groups.
8. The Village of Nobleford will designate or hire a booking avenue for users to book the Nobleford Community Complex.
9. The Village of Nobleford Council reserves the right to allow special use privileges of the Nobleford Community Complex to groups or organizations planning, offering and providing special events for the benefit of the Village as a whole.
