Dear property owner,

RE: NOTICE of water service disconnection, Overdue Utility bill, bylaw #577.

In accordance with bylaw #577, the Village of Nobleford provides utility services to you including water, sewer and Garbage pickup. These services are delivered on a cost recovery basis and require all users to participate in paying for the service in order to keep rates as low as possible.

The average Nobleford utility bill is under \$50 per month. You currently have an outstanding utility bill of more than \$200. You are being charged a 2% per month interest penalty on the outstanding balance (24% per year).

This is notice that you have 15 days to make full payment, or, for you to make written proposal for payment arrangements that are acceptable to the Village.

If no payment arrangements have been made within 15 days, your water service will be shut off. To reconnect service, you will be required to pay all the outstanding account balance plus a \$50 reconnection fee.

If you are a repeat offender of this bylaw #577, water may be turned off without further notice.

Sincerely

Chief Administrative Officer
