Keeping of Urban Hens

Bylaw 521 (The Keeping of Wild and Domestic Animals) has been brought into question regarding urban hens. Urban hens are said to bring many benefits to those who keep them, including fresh eggs. As Council values the opinion of residents, Administration has created a survey in hopes of gathering public opinion. If you would like to provide the Town with your feedback, please click the link below! Council will review the survey results at the next Council Meeting on Tuesday, April 26, 2022 at 7:00 P.M.

Visit from MP Rachael Thomas

At the recent Council Meeting, MP Rachael Thomas made an appearance and had a lovely discussion with Council regarding their financial, social, and cultural priorities for 2022. We thank MP Thomas for her attendance!

Sidewalk Replacement RFQ Bid Results

Council has dedicated \$50,000 within this year's capital budget to replacing sidewalks within the Town through Municipal Sustainability Initiative funding. Interested contractors were encouraged to submit a bid. At the recent Council Meeting, Council reviewed bids from six contractors. After careful consideration, Council awarded the project to the lowest bidder, McNally Contractors Ltd. For more details on the bid results please click the link below. The project is expected to begin early this summer.
